THIS CONSERVATION EASEMENT (herein "Conservation Easement") is made this 16<sup>th</sup> day of December, 2004, by and between Gipson/ East-West, LLC whose address is 7 Piedmont Center, Suite 150, Atlanta, Georgia 30305 (hereinafter "Grantor") and Cobb County, Georgia, a Political Subdivision of the State of Georgia, with an address of 100 Cherokee Street, Marietta, Georgia 30090 (hereinafter "Grantee").

RECITALS

- A. Grantee is a governmental body empowered to hold an interest in real property under the laws of the State of Georgia.
- B. Grantor owns in fee simple certain real property in Cobb County, Georgia, being 5.5095 acres, more or less, and more particularly shown and described in Exhibit "EX-1" attached hereto, hereinafter "Property".
- C. Grantor is willing to grant a perpetual Conservation Easement over the Property, thereby restricting and limiting the use of the land on the terms and conditions and for the purposes hereinafter set forth, and Grantee is willing to accept such Conservation Easement.
- D. Grantor and Grantee recognize the conservation value of the Property in its present state and have a mutual desire to afford protection thereto. Both Grantor and Grantee recognize that a perpetual conservation easement is desirable for the following purpose(s); the protection of natural resources and preservation of open space, more specifically the protection of water quality.

NOW, THEREFORE, as an absolute gift of no monetary consideration but in consideration of the mutual covenants, terms, conditions and restrictions hereinafter set forth, Grantor hereby unconditionally and irrevocably grants and conveys unto Grantee, its successors and assigns, forever and in perpetuity a Conservation Easement of the nature and character and to the extent hereinafter set forth, over the Property more particularly described in Exhibit A, Legal Description of the Property, together with the right to preserve and protect the conservation values of the Property.

To achieve the conservation purposes, the following conditions and restrictions are set forth:

ARTICLE I. DURATION OF EASEMENT

This Conservation Easement shall be perpetual. It is an assignable easement in gross, runs with the land, and is enforceable by Grantee against Grantor, his personal representatives, heirs, successors and assigns, lessees, agents and licensees.

31

**ARTICLE II. RIGHTS OF GRANTEE**

To accomplish the purposes of this Easement the following rights are conveyed to Grantee by this easement:

- A. To preserve and protect the conservation values of the Property, and
- B. To enter upon the Property at reasonable times in order to monitor compliance with and otherwise enforce the terms of this Easement.

**ARTICLE III. PROHIBITED AND RESTRICTED ACTIVITIES**

Any activity on, or use of, the Property inconsistent with the purposes of this Conservation Easement, whether building, grading, excavating, trenching, damming, dumping, etc., is prohibited excepting only any necessary installation of materials and equipment or maintenance, repair, or replacement thereof with respect to the utility and sanitary sewer easements as shown on the attached Exhibit "EX-1". Should any such installation, maintenance, repair or replacement with respect to the utility and sanitary sewer easements occur, the Property shall thereafter be restored to its original state as much as is practicable. Development that would significantly impair or interfere with the conservation values of the Property is prohibited.

The above notwithstanding, the Grantor hereby reserves the right to install, modify and maintain the storm drainage facilities located within or to be located within the Property. The storm drainage facilities include but are not limited to the storm water detention facility, the retaining walls delineating the facility, the fences and guardrails associated with the facility and all pipes, junction boxes, headwalls, and outlet structures associated with the storm drainage facility. Grantor also reserves the right to maintain, repair and install utility and sanitary sewer services located within the Property or to be located within the Property in the future, provided such utilities and sanitary sewer services do not significantly impair or interfere with the conservation values of the Property. Furthermore, Grantee acknowledges the existence of the Colonial Pipeline and its associated easements on the Property, located as shown on Exhibit "EX-1".

**ARTICLE IV. RESERVED RIGHTS**

Grantor reserves to himself, and to his personal representatives, heirs, successors, and assigns, all rights accruing from his ownership of the Property, including the right to engage in, or permit or invite others to engage in all uses of the Property that are not expressly prohibited herein and are not inconsistent with the purposes of this Easement.

**ARTICLE V. GRANTEE'S REMEDIES**

If Grantee determines that a violation of the terms of this Easement has occurred or is threatened, Grantee shall, prior to exercising any other remedies, give written notice to the Grantor of such and give a reasonable time for correction, if necessary. "Reasonable time" shall be in the sole discretion of Grantee. This option shall not preclude Grantee's right to seek judicial enforcement of the Easement, and such written notification and opportunity to correct shall not be a prerequisite to judicial enforcement. All costs incurred by Grantee in enforcing this Easement, including reasonable attorney's fees, shall be borne by Grantor, unless Grantor ultimately prevails when in such event each party shall bear its own costs.

**ARTICLE VI. EXHIBITS, DOCUMENTATION AND TITLE**

- F. **Assignment by Grantor.** Notwithstanding any other provision hereof, Grantee's rights under this Easement Agreement may be assigned only to another governmental or non-profit entity that will utilize the such easement rights for the public good.
- G. **Successors.** The covenants, terms, conditions, and restrictions of this Easement shall be binding upon, and inure to the benefit of the parties hereto and their respective personal representatives, heirs, successors, and assigns and shall continue as a servitude running in perpetuity with the Property. The terms "Grantor" and "Grantee," wherever used herein, and any pronouns used in place thereof, shall include, respectively, the above-named Grantor and his personal representatives,
